## Beebe Springs Natural Area Hiking Trails

Enjoy your visit to Chelan Fish Hatchery and explore the Beebe Springs Natural Area trails above the hatchery. Please follow the guidelines listed on this sign for a safe and fun trip.

#### For A Safe Trip

- ✓ Sturdy footgear
- ✓ Water and snack
- √ Sun protection
- √ Hat
- For your safety, stay on the trail and use caution. There are steep cliffs in the area, as well as other natural hazards.
- This is rattlesnake country. Watch where you step! If you spot a rattlesnake, keep your distance and allow it to retreat.
- Pack out all trash, litter and food waste – take back what you brought and some extra.
- Keep pets on a leash.
- Please no bikes or horses.

### Wildlife Viewing and You

- Move slowly and quietly for good opportunities at seeing wildlife.
- Use binoculars and spotting scopes for a closer view.
- Learn to recognize wildlife alarm signals. Stop and move away when animals seem to be impacted by your presence.
