GREETINGS!

Thank you for your interest in the Lake Chelan Chamber of Commerce. Since 1931 the purpose of the Lake Chelan Chamber has been to drive economic growth through leadership, advocacy and promotion that enhances the quality of life in the Lake Chelan Valley. We continue to work toward the same goal today. We have a wide variety of marketing tools available to members and we continue to expand our services every year! Here are a select few of our business opportunities.

RIBBON CUTTING CEREMONY

Are you ready to officially open your new business? Why not make it an event? Host a successful grand opening with the help of the Lake Chelan Chamber of Commerce. The Chamber will create a personal invitation to all our members inviting them to your grand opening.

KOZI RADIO

A KOZI Radio interview is a great way to introduce your business to the community. The Chamber will help you organize your first interview. This must be arranged a month in advance. Business After Hours hosts are also invited to be on KOZI the Monday before the event.

BUSINESS AFTER HOURS

This event takes place at a local business and welcomes all Chamber Members. Business After Hours is a fantastic way to network with your fellow business owners. Interested in hosting Business After Hours? Contact our Membership & PR Coordinator to discuss how to become a host.
