Sophie & Kyle

THE LOOKOUT, VIN DU LAC WINERY

q&a

Hometown: Bellevue, WA

Currently Live: Bend, OR

How They Met: We met at the Lookout in Lake Chelan in 2020. We were each supposed to be on trips abroad, but when those were canceled we both ended up at The Lookout with friends and family.

How They Got Engaged: We got engaged on the Oregon Coast at Cape Kiwanda, where we had our first official date. Kyle surprised me with an arrangement of flowers and photos on the beach at sunset. He organized for all of our best friends to surprise us for the weekend too!

Number of Guests: 120

Theme: Modern minimalist with earthy elements.

Favorite Detail: Our pickleball tournament with guests.

A bit of advice:

Do whatever you want—there are no rules. Take time just for the two of you. Amid the craziness of it all, you don't get much alone time, so cherish it!

Lisa & Justin

CHELAN RANCH

q&a

Hometown: Bremerton, WA and Peterborough, Canada

Currently Live: Woodinville, WA

How They Met: Bumble in 2017

How They Got Engaged: Justin proposed at our favorite winery, Succession Wines. He surprised me with my Canadian friends and his family in town. We had the best weekend celebrating!

Number of Guests: 180

Theme: Romantic summer

Favorite Detail: The views and the edible cookie dough dessert table.

VENDORS

Cake: Deru Market, Kirkland (cake) and Sugar & Spoon Dough, Sugary Chelan (desserts)

Lodging: The Lookout

Dress: I Do Bridal, Seattle

Tux: Indochino

Wedding Planner: Ellie Haisch Weddings + Events

Why Lake Chelan?

Lake Chelan was already special to us before getting engaged there. We visit at least twice each summer and once in the winter. Now, it's cemented in our hearts forever! You can't beat the lake views and more predictable weather compared to Seattle—with better vendor pricing.

Ruth & Garrett

MILESTONE VINEYARD EVENTS

q&a

Hometown: Kitsap, WA

Currently Live: Bremerton, WA

How They Met: We met in Spanish class. Best seating chart ever!

How They Got Engaged: We visit Maine with family every summer and do the same hike around a nearby island. When I was growing up I used to say I wanted to get married there... Garrett decided to do the proposal there instead. I wouldn't change anything!

Number of Guests: 125

Theme: Kate Middleton gets married at a winery.

Favorite Detail: My dad built a wooden arch for our wedding, working with our florist, we designed the flower arch and used it as our ceremony backdrop. During the reception, we moved the arch behind the head table and it gave us the most amazing pop of color and soft touch.

VENDORS

Honeymoon: Fiji (Likuliku Resort)

Lodging: Lodge at Desert Canyon

Music: Aaron Wisemore

Photography & Videography: Sarah (Sarah Anne Photography) and Jaime (Ridgewood Films)

Makeup: Serene Belle Artistry, Silverdale

Dress: Madi Lane from a&bé Bridal Shop in Ballard

Tux: Men's Wearhouse

Wedding Planner: I took on most of the wedding planning myself, but Janine at Milestone Events was there with her experience to help along the way.

A bit of advice:

Invest in a great photobooth. You won't get to spend as much time with everyone at the wedding as you'd like (it's impossible), so this is a great way to see how they had fun after the fact!

Brooklyn & Garrett

LARC HILL VINEYARD RANCH

q&a

Hometown: Seattle, WA

Currently Live: Seattle, WA

How They Met: At a WSU football tailgate

How They Got Engaged: Garrett surprised me with a trip to Salish Lodge on top of Snoqualmie Falls for our 4-year anniversary. At the waterfall lookout, he got down on one knee and proposed. I was completely shocked, immediately shouted "YES!" and the rest was history.

Number of Guests: 180

Theme: Classic elegance, romantic vineyard

Favorite Detail: We loved our jaw-dropping florals.

VENDORS

Honeymoon: Italy - Rome, Sorrento, and the Amalfi Coast

Photography: Svetlana Sauer Photography

Flowers: Sheryl Carson, Flowers on the Wall

Dress: Made with Love Bridal

Tux: Men's Wearhouse

Wedding Planner: Loreen Jenkins, True Expressions Weddings + Events

Find a way to de-stress:

Find an activity you both enjoy doing leading up to the wedding. For us, taking dance lessons was surprisingly fun! We didn't anticipate how much joy and laughter it would bring, and it was a great way to relieve pre-wedding stress.

Summer & Matt

GAMBLE SANDS RESORT

q&a

Hometown: Sun Valley, ID and Edmonds, WA

Currently Live: Edmonds, WA

How They Met: After moving to Seattle for a new job, I joined Chateau St. Michelle winery in Woodinville. While attending a concert there with my cousin, we struck up a conversation with two nearby ladies. One of them, noticing our shared interests, suggested I meet her son, Matt, and insisted I text him. So, I sent him a picture of his mom, saying, "Your mom made me say hi!" We started texting, went golfing a few days later, and really hit it off!

How They Got Engaged: Matt planned a trip to Sun Valley, Idaho for New Years Eve. He popped the question while we were snow shoeing with a beautiful view of Bald Mountain in the background!

Number of Guests: 56

Favorite Detail: Sneaking away to play the second hole after we said our "I dos" in our wedding attire.

Why Lake Chelan?

We love to golf and discovered Gamble Sands Resort in 2019. It's become one of our favorite places. So, we thought it would be so cool to have all our friends and family see us get married there! Gamble Sands truly had the most amazing staff and spoiled us from beginning to end of our wedding planning.

What is most important to consider when choosing a caterer?

“Couples should look for a caterer who understands their vision and can offer a customized menu that reflects their tastes. It’s also important to find someone reliable with experience in large events to ensure everything runs smoothly. The most important thing when choosing a caterer is trust—they need to be able to deliver great food on time, and adapt to any unexpected changes. Communication and flexibility are key.”
